### **Undesirable Trees for Public Tree Lawn**

These trees are not recommended for street tree planting in Rossford. They are undesirable for a variety of reasons, including weak wood, they are subject to disease or insect pests, have messy flowers or fruit, roots that clog sewer systems, or early leaf drop. Evergreens are discouraged because of safety and visibility factors.

Ash, White, Green and European Mountain Ash (Fraxinas American, Pennsylvanica and Sorbus)
