#### I. Meeting called to order at 4:03 PM.

- Girls Scout Presentation
  - The Rossford Girls scouts gave a presentation on projects that they hope to complete at Island View park to earn merit badges. They are planning this year and hoping to start the projects in 2022. These projects include:
    - Bat/Bird Houses
    - More Benches and Trash Bins
    - Cleaning up the park equipment
- Rec Center Operation
  - The board was updated on operations at the recreation center. The recreation center is open and members are asked to sign up for appointments to work out. This has been done with very little issues and ensures that contact tracing can be done if needed.
  - Spring Programs are underway
  - Fitness classes have resumed
  - Still not offering indoor room rentals
- Capital Improvement Projects
  - The parks and recreation department has the following capital improvement projects planned for 2021
    - Pickleball courts at John Folcik Park – Starting May 10th
    - Repair and paint EIFS at Recreation Center
- Basketball Hoops at Parks
  - The board discussed putting the basketball hoops up at the parks now that the weather is better.
  - After discussion the board would like to have the hoops put back up at Bacon street tot lot and John Folcik Park. These hoops have been up for years with no complaints or issues.
  - The board also would like to have 1 hoop on each court put up at Vets park. This would allow people to shoot, but there would be no full court play. If they become an issue the board will vote to take them down. Mr. Ledesma will provide any updates on issues or complaints that he receives.
- Meeting times
  - The board discussed moving the meeting times to a different date and time. They will continue with 2<sup>nd</sup> Tuesday of the month at 4PM as of now.
