3. Councilwoman Eckel requested via email that the committee consider a construction package for the purpose of resurfacing city parking lots to include: City Hall/Library, Police and Fire, Rec Center, and Eagle Point side lot and back lot. Along with city lots, ED committee could send out a letter to all Rossford business owners and commercial property owners asking them if they'd like to participate in conjunction with the city in order to get a better cost to repave their parking lots. The committee was not opposed to the idea but would like to discuss it further at our November 12th regular Council meeting.

Meeting adjourned at 5:20pm

Respectfully submitted,

Chris Heban
