I. Meeting called to order at 6:03PM.

- The Recreation Center has just finished its first month of silver sneakers and currently had over 36 participants in the system. More data will be available after May 20th.
- The Recreation Department has partnered with the NECA union to fix up its sports complex on Lime City Rd. With the help of Maumee Bay Turf and the Rossford High School baseball team, the complex is open and ready for youth sports to practice on. This is a huge help to the Rec department and did not cost anything to complete.
- The board discussed Bacon Street Tot Lot and some projects that can be done there.
- The new sports court surface at Veterans Memorial Park has been getting a lot of traffic. Mr. Ledesma is working on adding some signage to the complex, and finishing up grant paperwork.
- The Recreation Department has held a T-Ball Clinic on 5/6 and had a great turnout. The event was moved to Total Sports Complex at no cost to the city.
- Registrations are now being accepted for the Summer Theater program which will be directed by Lizzy Hornyak. The show is Willy Wonka and will be on July 28th.
- The board discussed looking at options for a new concession stand/restroom at Veterans Memorial Park.
