

# ZONING

2/22/18

Attendees: Councilwomen Zuchowski, Concilmen Heban & Marquette, Zoning Director Zuchowski and City Solicitor Heban

Three topics were presented by Mr Zuchowski. Halfway houses, Multi family (R3) zoning classifications, & Cloth/fiber carports. After hearing Mr. Zuchowski's views on the vagueness of the ordinances that cover these three topics, the committee unanimously moved to have a ordinance prepared for council to consider, which would send these to the planning commission for their review and input.

Respectfully submitted by Committee Chair Greg Marquette
